

Dear National Specialty Club Secretary,

In an effort to insure each National Specialty Club receives top priority in securing the desired judge/s for your breed at the 2002 ARBA National Convention to be held in Peoria, Illinois, we are contacting you at this early date.

Most National Specialty Club memberships vote for their desired judge/s, or even secure the desired judge/s several years prior to the National Convention at which they are to judge. If this is the case, and your club has received a commitment from a judge or judges for the 2002 ARBA National Convention, please notify us so we can adjust our records accordingly.

If your club does not have a judge/s secured, or a desired judge/s selected by the membership at this time, we are asking that you consider doing this prior to leaving the 2001 National Convention in San Diego, California. We will have individuals contacting you prior to the end of the Convention to confirm your judge/s selection for the 2002 ARBA National Convention. If your club does not have a judge/s chosen at that time, we will have a deadline of February 1, 2002 in order for you to propose the judge/s of your choice and notify us of same.

Please remember that the earlier we have your selection, the earlier we are able to gain commitment from the judge/s for your breed.

Should we not be notified of your club's decision by February 1, 2001, a judge will be selected by our committee to officiate for your breed.

We Thank You for your anticipated cooperation and attention to this matter.

Should the Illinois Rabbit and Cavy Shows be able to assist you in any manner regarding our convention, please feel free to contact us at any time.

Please return any correspondence regarding your breed's desired judge/s for the 2002 ARBA National Convention to:
